

The background of the entire image is a vibrant yellow. It is decorated with various abstract geometric shapes in blue, red, and black. These shapes include circles, squares, triangles, and rectangles, some of which are filled with patterns like stripes or solid colors. The shapes are scattered across the top and sides of the image, creating a modern, artistic border.

Bra boktips

med läsinspiratören Tobias Larsson

01

Satsa på bilderböcker

Bra längd för
högläsning.

02

Läs första kapitlet

“Veckans
kapitelbok” – läs
början högt och
fundera på vad
som kanske
händer sedan.

03

Fiffigt med fakta

Låna snygga
böcker om saker
som intresserar
barnen. Det lockar
till läsning!

04

Bortom raderna

Kan man rita,
måla, berätta,
pyssla, leka något
man läst om i en
bok?

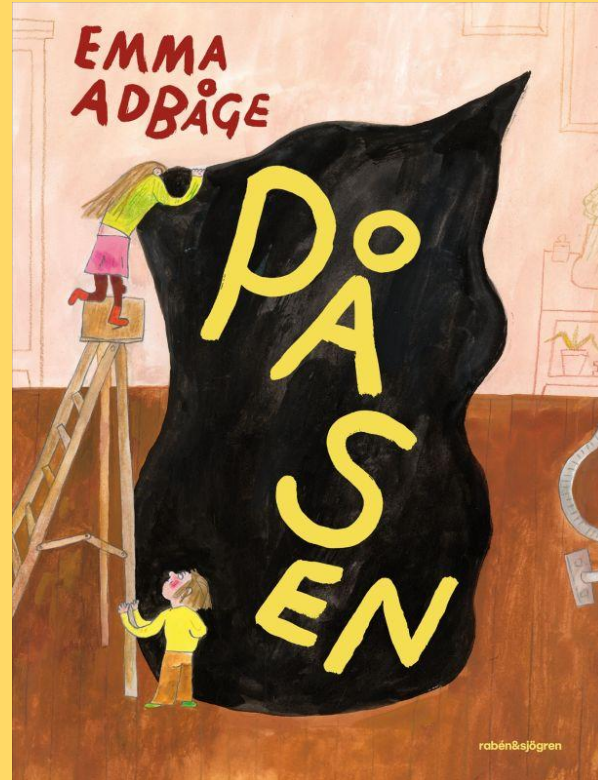

Jag tror det är ett monster under sängen!!
